

## Ritual Fire Dance Choreography

Time	Music	Dance
		<p>Before the music starts: Shaking group in centre of performance area in interesting shape, as one group.</p> <p>Dancing with fire group behind these, in interesting shape, but working as individuals. They have the scarves/ribbons ready to dance with and part of shape.</p> <p>Traveling group to one side in row</p>
0'00"	Shaking	Shaking group – in foreground with different parts of body. No traveling at all, but can change heights or direction they're facing – use all parts of personal space. Can interact with other members of this group.
0'13"	Tune 1	Shaking group stays where they are and continue to shake with tiny movements when they hear the shaking music. Dancing With Fire group move around the shaking group wielding their props and being fire-like.
0'44"	Shaking	Dancing with Fire group freeze in interesting shape. Shaking group move again with bigger gestures.
0'49"	Tune 2	Traveling group enter and dance with big movements, weaving in and out of the other groups and individuals. They move as one.
1'12"	Tune 1	Shaking group stays where they are and continue to shake with tiny movements when they hear the shaking music.
1'31"	Tune 1, but slower	Dancing With Fire group move around the shaking group wielding their props and being fire-like. Traveling group leave the performance area and wait.
1'37"	Shaking	Dancing with Fire group freeze in interesting shape. Shaking group move again with bigger gestures.
1'46"	Tune 1	Shaking group stays where they are and continue to shake with tiny movements when they hear the shaking music. Dancing With Fire group move around the shaking group wielding their props and being fire-like.
2'16"	Shaking	Dancing with Fire group freeze in interesting shape. Shaking group move again with bigger gestures.
2'22"	Tune 2	Traveling group enter and dance with big movements, weaving in and out of the other groups and individuals. They move as one.
2'45"	Tune 1	Shaking group stays where they are and continue to shake with tiny movements when they hear the shaking music. Dancing With Fire group move around the shaking group wielding their props and being fire-like. Traveling group remain on stage in front of Shaking group, but leaving a space in between the groups and low down.
	Ending with 23 loud chords	<p>All groups move together for these big chords: Traveling group jerk to one side or other Shaking group shake jerkily on each chord Dancing with Fire group leap interestingly on each chord.</p>
